This diagram shows an exploded perspective view of a storage unit 800. The unit consists of a top panel 860, a frame 870, and a base 801. The base 801 features a grid of rails 400 and 410. The rails 400 are connected by cross-rails 422 and 424. The frame 870 is positioned above the rails, and the top panel 860 is positioned above the frame. The base 801 also includes a front panel 803 and a bottom panel 801. The rails 400 and 410 are connected by cross-rails 422 and 424. The frame 870 is positioned above the rails, and the top panel 860 is positioned above the frame. The base 801 also includes a front panel 803 and a bottom panel 801.
